## September

Welcome to all of the new kindergarten students and their parents! Our Theme for September is Apples. We will be making applesauce, graphing our favourite kind of apples, and learning the parts of an apple.

Here are a few reminders about classroom routines and upcoming dates for September. If you have any questions please talk to Mrs. Mitchell. I am available during the lunch hour or after school. You can usually find me in the Kindergarten room or the grade 1 room. I teach grade one in the afternoons.

### **Important Dates**

- Meet the teacher night: Tuesday September 15 (6:30 pm)

**Sharing:** Students will share once a week. Please send a **small** toy or special item to share. Prepare your child for sharing by talking with them about the item and what they want to tell about it. Please do not send toys to school unless it is your child's sharing day.

**Mondays: Amber, Alex, Alisa, Allison, Ashley**

**Tuesdays: Conner, Jacob, Matthias, Melisa, Paige**

**Thursdays: Roman, Ryan F, Ryan K, Shay, Sophie**

**Snack:** Please send a healthy snack and a drink everyday. We have snack and recess inside until the spring.

**Indoor shoes:** Please send Velcro shoes so your child can put them on independently. If your child does not have indoor shoes at school please send them as soon as possible.

**Change of clothes:** Students should have a full change of clothes to keep in their backpack or cubby.

**Scholastic Book Order:** If you wish to order from Elf or See Saw. Please fill out the form and hand orders in by Thursday September 24. Make cheques payable to Scholastic Book Clubs or exact cash only please.

**Kindergarten Schedule:** I have attached a time table.  
Please note that we have gym on Mondays, Tuesdays, and Wednesdays. Library is on Wednesdays. Students may take out one book a week and cannot get a new book until the borrowed book is returned.

**Poem and Songbooks:** Each week we learn a new poem that usually goes with our theme. Students will bring home their books on Thursday and should be returned on Monday. Please read the poem with your child.

**Volunteers:** During the year I will need volunteers for a variety of jobs. I am always looking for volunteers to do jobs around the class and to come on field trips. I am specifically looking for 2 people who can come in on Tuesdays and/or Thursdays from 11:00 – 12:00 and help supervise a literacy center. Please fill out the form at the bottom of the page and return it if you are available to spend some time in the Kindergarten classroom.

Thanks,

Mrs. Mitchell
