Covid stage 2 school reopening health and safety info for parents

Update | 28.08.2020

Dear parents and caregivers,

As you may know, St Joseph's is in stage 2 of reopening. This [document](#) outlines our plan on how we'll keep our school community safe and healthy at this time. Our plan was made using the BC Centre for Disease Control, Ministry of Education, and Worksafe's guidelines that we are required to follow. I ask that you read this document carefully and let your child know what to expect in September. You are most welcome to contact the school should you have any questions or concerns. We are grateful for your cooperation and help keeping our community healthy. As always, please keep everyone's well being in your prayers!

Thank you | misiyh,

Hayden Drygas

Principal
